Dear Parents/Guardians,

## **RE: BEING COOPERATIVE**

This serves to ask for your responsible cooperation with the school in a time that is stressful and worrying to all. Please pay careful attention to the information being given below.

1. **PLEASE refrain** from sending your child/children to school if they are unwell.
2. **PLEASE refrain** from sending your child/children to school if you (as parents) or the child has travelled to or from any infected country. Keep them at home with the self-quarantine period of 14days.
3. **PLEASE** if you have opted to keep your children at home during this period we ask that you officially place the information in writing to [ped.directorprimary@mis.ac.mz](mailto:ped.directorprimary@mis.ac.mz) with an email address that can be used by the teachers for communication.
4. **PLEASE** do not expect teachers to stop teaching to prepare work for your children with a days' notice. They will prepare and send to you via email provided by you, at their earliest convenience.
5. **PLEASE** as per standard school rules, no tests will be written ahead of time.
6. **We request parents to remain calm, objective and realistic** at all times so not to create "panic and stress" within your child/children's mind and others around you.
7. **We** recommend parents to follow **official Government publications** of information.

Regards

Management of Maputo International School
